£9,500!

Tewkesbury Town Band Needs Your Vote!

Tewkesbury Town Band, a brass band at the heart of Tewkesbury's community, has been selected as an eligible project to potentially receive £9,500 from the 2017 Aviva Community Fund. We need this money to turn an abandoned toilet block into a band room to secure a home for the band for the next 99 years!

The Band entertains the public through concerts and parades. It also provides the opportunity for anyone to learn to play a brass instrument and enjoy the benefits of making music in a group, completely free of charge.

The projects with the most votes will get through to the final judging.

**Please follow the links below to vote to help secure the future of
Tewkesbury Town Band.**
